WORK EXPERIENCE

05/06/2025 - CURRENT - JOS, NIGERIA
ICT NETWORK TECHNICIAN PHILADIZ ENGINEERING

As an ICT Network Technician, I supported network and security infrastructure deployment through the installation of surveillance cameras, wireless radio systems, structured cabling, and network racks. I also configured NVRs and servers to ensure secure, reliable monitoring and system performance.

Email: Tjaybit@gmail.com

14/04/2023 - 11/09/2023 - ABUJA, NIGERIA
INTERN NATIONAL CENTRE FOR ARTIFICIAL INTELLIGENCE AND ROBOTICS (NCAIR)

Interning at NCAIR enhanced my UI/UX design skills through hands-on experience in user research, prototyping, and interaction design, while strengthening my ability to create intuitive and visually engaging user experiences.
